

## RE/MAX<sup>®</sup> LEADING EDGE

“Buyers are eager to hit the market and find their home-sweet-home. They are more informed and better prepared to act quickly in this competitive market,” reports Linda O’Koniewski, CEO of RE/MAX Leading Edge. “Sellers who are on the fence continue to be in the driver’s seat and should consider cashing in on their equity while interest rates are low.”

**The latest 12 months sales of single-family homes in the RE/MAX Leading Edge service area increased +.7% year-over-year. Inventory remains down -20.4%. The number of days on market is also down -19.6% while median sale prices remain up +8.3% at \$585,000.**
